

CONFIDENTIAL*Mr. Turner
19 Dec '50*

Communications Channels Agreement Between Department of State
and Department of Defense, to Support the Execution
of "A Special Plan for Exploitation of
Psychological Opportunities
Created by the Korean Situation

1. UN objectives and tasks for NK shall be prepared in conformity with the organizational arrangements of paragraphs VI 3 a, b and c; then issued and distributed by P/POL using normal procedure for guidances.
2. Guidances in support of the above shall be prepared, issued and distributed by P/POL, according to normal procedure for guidances. Guidances in support of the above may also be prepared, issued and distributed by the CINCPAC agency executing the program in the NK.
3. Directives pertaining to the responsibility of CINCPAC for the execution of the reorientation and re-education program shall be sent to CINCPAC through the established military channels.
4. Operational messages of concern only to State Department personnel shall be sent to and from North Korea through State Department channels. An information copy shall be provided the interested military agency at the place of origin and destination.
5. Information materials normally prepared in the Department of State to support field operations shall be disseminated through normal State Department channels.
